

26 May 2010

Dear Parents/Guardian

CONDUCT OF TEMPERATURE-TAKING EXERCISE

The school will be conducting its temperature-taking exercise on **Wednesday, 30 June 2010** as part of its measures to maintain preparedness for national emergencies. Please ensure that your daughter/ward brings her Oral Digital Thermometer (ODT) for the exercise from Monday, 28 June 2010 onwards and that her ODT is of serviceable condition.

Pupils who have either damaged or lost their ODTs can purchase an ODT from the school bookshop at a cost of \$4.20. Replacement batteries can be purchased at \$1 each.

While the Form Teachers will instruct your child on the use of the ODT, we seek your kind support in helping her in its proper care. Please also ensure that your child's ODT has her name, class and year written clearly on it.

Thank you for your kind cooperation.

Yours sincerely,

Low Ay Nar (Mrs)
Principal
